The Honorable Kay Granger
Ranking Member
Committee on Appropriations
Washington, D.C. 20515

Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for Southern Nevada Children's Advocacy Center (SNCAC) in fiscal year 2023. The entity to receive funding for this project is the government of Clark County, Nevada and is located at 500 South Grand Central Parkway, Las Vegas, NV 89155. The funds would be used for the design and engineering costs of expanding the new Southern Nevada Children's Advocacy Center (SNCAC) including the addition of twenty new medical/mental health treatment rooms to address the mental health needs of youth sex trafficking victims. The SNCAC has been critical in the assessment and prevention of children abuse in Southern Nevada for over 20 years. It houses a multidisciplinary team of child protection workers, law enforcement, medical professionals, victim advocates, and mental health providers who work together to ensure the child is supported during and after the investigative process. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
